

The map shows a large, undeveloped plot of land in URBACH, outlined in thick black. The plot is situated between Schubertstraße to the north and a road to the south. To the west, a railway line runs parallel to the plot. The surrounding area includes residential streets such as Bielefelder Straße, Düsselstraße, and Memeler Straße, as well as a playground (Spielplatz) and a kindergarten (Kinderg.). To the east, there is a large area labeled 'Auf den Anwenden' and a highway interchange labeled 'Autobahnkreuz Flughafen'. A scale bar at the bottom left indicates distances up to 300 meters, and a north arrow is at the bottom right.
